

Lozzy's Free Fun Pack

A little bit of everything

Ages 4-6 · Print & Play

Hello, grown-ups!

Lozzy's Free Fun Pack

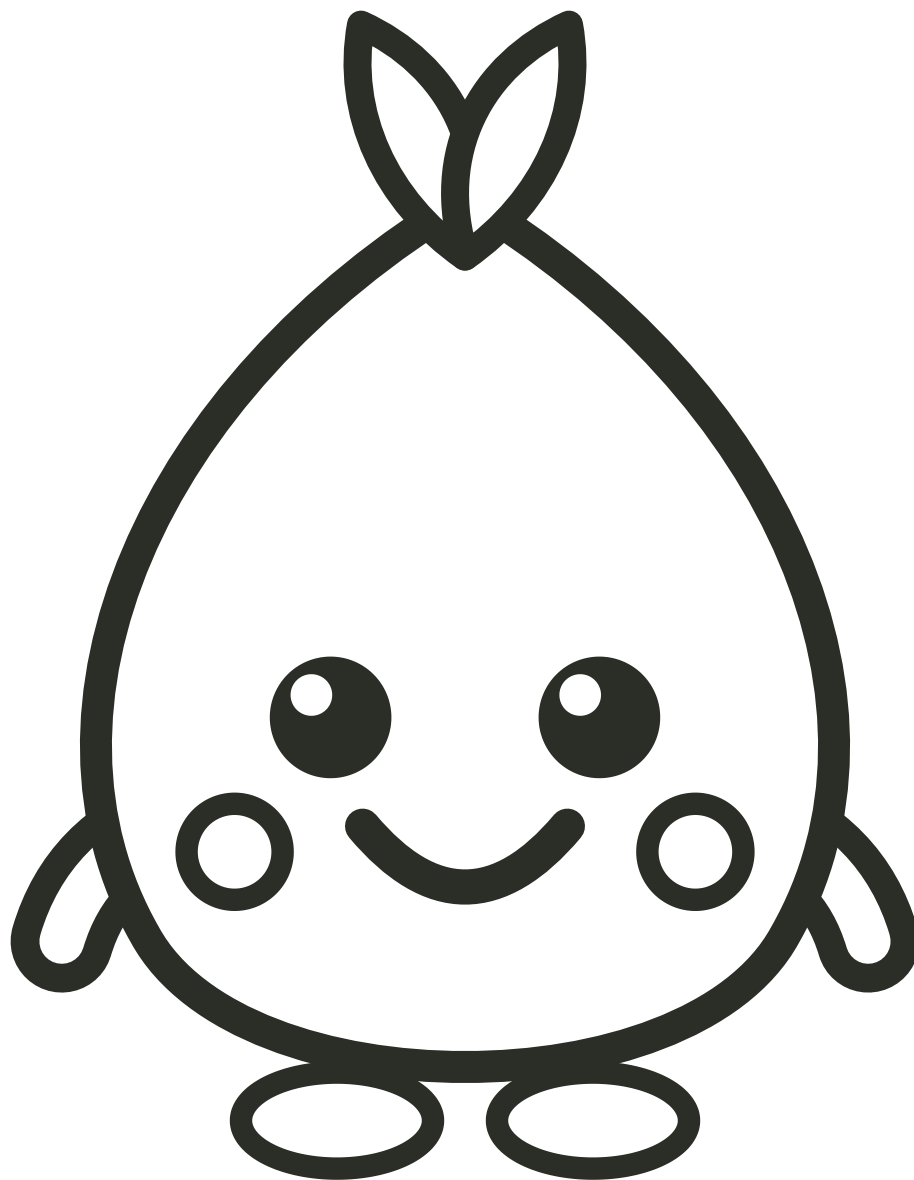

This is a printable activity book for home use. Print it on standard US Letter paper (8.5 × 11 in), at 100% size (no “fit to page”). Suggested age range: **4–6 years** — every child is different, so feel free to skip or repeat pages.

- A taste of Lozzy's printable activities: one coloring page, a maze, counting, a pattern puzzle and a matching game.
- No sign-up needed. Print as many copies as you like for your own family.
- The **answer key** is on the last pages, so you can check together.
- Pencils, crayons or washable markers all work well.

Sit with your child for the first few pages, then let them take the lead. Short sessions are fine — one page is a great start!
